2. The Board observes that some well works referred to in para 2 of the Collector's letter cited are in an advanced state of excavation and construction and that some other works have just been taken up the excavation having proceeded only a few feet below ground level. In one case the steining has been built up to ground level. The Board recommends that in respect of items 1 to 8 referred to above, the works taken up may be proceeded with and completed under the Rural Water Supply scheme, the expenditure being met from the Rural Water Supply funds. A

3. The Board also observes that the well works covered by items Nos. 9 to 11 have not been taken up for some reason or other. The Collector has not furnished reasons for taking up these works under the Rural Water Supply Scheme The Board therefore recommends that these works may be taken up and completed under the Rural Welfare scheme.

2/- The attention of the Collector of South Kanara is invited to para 3 of the Govt.Memo.No. 48992-R.W.1/504-13 dated 21-1-52 according to which prescribed contributions should be insisted upon in respect of well works taken up under the comprehensive R.W.S.scheme in the selected firkas and centres. From the Statement sent with his reference (3) cited, it is seen that no contributions are forthcoming in respect of the well works shown in the statement. The Collector is requested to report why no contributions were insisted upon and why contribution rules should be realxed in these cases. Full reasons should be given for waiving the contribution rule.

shown in p 17-19 below

3/- In his reference No. 33072/51 B9 dated 2-3-52 Mundkur village was shown against item (3) but in the statement sent to the Board another village named Mulladka is shown. The Collector is therefore requested to state whether Mulladka is a mistake for Mundkur village and if not to give reasons for omitting Mundkur village in the statement now submitted.

p 2 above

item 3 in p 2 above and item 9 in p 19 below

4/- In his statement a sum of Rs. 4250/- is noted in column (7) (amount of contribution) against the village Badiadka at Perdal village but in column (5) Rs. 8500/- is shown as amount required to complete the work without deducting the contribution of Rs. 4250/- The Collector is requested to explain the discrepancy.

item 11 in p 17 below

5/- The Board invites the attention of the Government to paras 1 to 4 above and submits that a further report will be sent to Government. on receipt of reply from the Collector on the points required by the Board.

..

Of the 12 works mentioned in the statement sent with my reference C.No.33072/51/B9 dated 6-11-1952, serial Nos.1 to 9 are situated ~~in~~ in the Moolky selected Firka of Mangalore Taluk, Serial No.10 in the Manjeshwar selected firka of Kasargod taluk while serial Nos.11 and 12 lies in the Kumbla selected ~~first~~firka of Kasargod taluk. The Firka Development Scheme was first introduced in Kumbla Firka in October 1946. It was subsequently extended to Manjeshwar and Moolky Firkas in April 1950. Serial Nos.1 to 8 of the Moolky Firka are reported to have been already programmed and taken up for execution under the R.W.S.Scheme before the Firka was formed. Proposals regarding these works must have, therefore, been under way prior to the extension of the Firka Development scheme to Moolky Firka. This accounts for the omission to insist on the contribution in the cases. All these works are now nearing completion and it is stated and naturally too, that it is not possible to approach the villagers benefited by the works for any contribution. The well works at Mullakada (Serial No.9) was included in the Five Year Programme as per the Board's Ref.V.12026/49/13 dated 19-9-1950 for execution in 1950-51. It is understood that the entire locality concerned in the case is embodied with rocky stratum and therfore, a fresh site is being selected. This work is reported to ~~be~~ benefit Harijan exclusively and these harijans are poor to pay any contribution. In these circumstances the Collection of contribution from the beneficiaries in the case need not be insisted on. Neither is it fair at this distance of time to press for contribution. Serial No.10 was included in the five year comprehensive scheme for R.W.S.for execution in 1950-51 i.e.before the receipt of the Govt.Memo No.48992/R.W.I/50-13 dated 21-1-1952. Hence, the collection of contribution in the case could not arise. The Govt. in their Memo No.36910/F.D.1/49-5 Firka Development Department dated 8-2-1950 Vide B.P.Rt.1212 dated 27-2-1950) accorded their permission for Serial Nos.11 and 12 as a special case to the Execution of these works in Kumbla Firka under the comprehensive Rural Water Supply scheme, subject to the collection of at least half the estimated cost in the case of item (i) mentioned in the memorandum (i.e. serial No.11 of the statement) as contribution from the villagers benefited by the work. Accordingly Rs.4250/- were collected in the case and credited to the Kasargod sub treasury to XXVIII-P.H.Receipts on account of Post War schemes-R.W.S. contributions.' in chalan No.480 dated 4-7-1952

2.The well work in Mundkur village is distinct from the well work in Mulladka village though both the villages are situated within one and the same selected firka, namely the Moolky firka. Please see serial Nos.5 (Mundkoor wrongly spelt in the statement as Munkoor) and 9. Mundkoor village, thus, stands included in the statement submitted with my Ref.C.No.33072/51-B9 dated 6-11-52.

3 ante

3. In para 1 above (last portion) I have already reported that Rs.4250/-was collected and credited to the Kasargod sub treasury to the credit head specified therein. The credit was made on 4-7-52 The work is still pending exeuction and so no payment has been made so far. Since the quantum of contribution fixed in the case already stands collected and credited to Government it is pointed out that on completion of the work payment should be made to the extent of the sanctioned amount namely Rs.8500/-. This accounts for the exhibition of Rs.8500/-in cols.(3) and (5) of the statement in question.

| 8. Malladka | | -do- |
| 9. Udayawar. | S.No.160/3 | Manjeshwar-Firka-Kasargode Tk |

2) It has been reported by the Collector of S.Kanara that items 1-7 above were taken up for execution before the R.W.Scheme was extended to the area, item 8 is intended to benefit mainly the Harijans and item 9 was included in the Comprehensive R.W.S. Scheme before the receipt of the orders issued in Memo No.48992 R.W.I/50-13 dated 21-1-1952 and that, therefore no contributions could be collected in the matter as prescribed in Memo No.12168 R.I.1/49-2, dated 9-6-1949. In the circumstances stated, the Govt. permit the Collector of S.Kanara to execute these works without collecting contributions.

3) As regards the well work at Athikara Bettu, in the Mulky firka of Mangalore Taluk, the Collector of S.Kanara has reported in his statement (item 1) enclosed to his letter No. 33074/51 dt 6-11-52 that the site in which it was proposed to dig the well was abandoned as it was found not possible to proceed with the work. It is presumed that the work has been given up. Instructions relating to the execution of a new well and a bore well works (items 11 and 12 in the statement) at Badiaka of Perdal village were issued in Memo No.30310 F.D.I/49-5 dated 8--2--1950.

Please see the letter from the Collector of S. Kanara on page 2 c.f. and the Board's remarks thereon on page 1 c.f. According to (A) the orders issued in memo. No. 48992 RW I/50-13 dt. 21.1.52, prior sanction of the Govt. should be obtained for executing the well works under the comp. R.W.S. Scheme in the selected firkas and centres. The Collector of S. Kanara (p2 cf) has stated that 11 well works were sanctio under the comp. R.W.S. Schemes in the selecte firkas in the district and that expenditu has also been incurred on some of them. The Collector has asked for orders as to how the above works are to be completed. ~~That~~ It is observed from the Collector's letter that out of the 11 works sanctioned, 8 works have already been started and are well in progre (Item 1-8 on p2 cf) and ~~that~~ the other three wells have not yet been started. (Item 9-11 on p. 4) The Board of Rev. has recommend that the 8 well works which are alread (A' [illegible] cf) in progress may be ordered to be completed under the Comp. R.W.S. Scheme and that the other three well works which have not been started, may be taken up under the ~~R.W.~~ Rural Welfare Scheme. For orders (pa. 3, f.) whether the Board's recommendation may be accepted. Subject to orders a draft memo. is submitted for approval.

(p. 7) The memo. at (A) also contemplates

W

that contributions should be collected in respect of well works taken up under the Comp. R.W.S. Scheme in the selected firkas and centres. ~~The Collector S.K~~ No mention has been made either by the Collector or by Board about contributions. ~~It appears that~~ The collector's attention may however be invited to the last para of the memo at (A) and he may be asked to collect the necessary contributions. Subject to orders the draft provides for this.

The notes on pp 1-2 above and the draft memo below may be perused. ~~and the case putted~~ It may be pointed out in this connection, that the execution of the well works lying in selected Firkas ~~is~~ can be carried out under the Comp. R.W.S. Scheme only in very spl cases where the Budget allotment ~~in the~~ for the R-Welfare Scheme in respect of these wells is not sufficient and where the works cannot be stopped uncompleted — vide Finance Notes on p 11 n.f. of (A). In the present case, it is not known how much amount ~~was~~ has been alloted under the Rural Welfare Scheme for the execution of these 11 well works and whether the alloted amount is sufficient or not.
